This year IOWA has changed their test somewhat and the 3rd - 12th grade now have different optional tests available beyond the mandatory Language and Math portions of the test.

These optional test will be given on Friday following the Math portion of the tests.

There are no additional charges for these tests - the price is all inclusive.

Please indicate below if you wish your child to take any of the additional optional tests on Friday.

For our registering purposes:

Core = Math & Language only. **Core Plus** = Math & Language plus one or more additional tests.
